County Road 12-Culvert 35 Replacement

August 25, 2022

**Re: Public Information Meeting for County Road 12 Culvert 35 Replacement Project**

Dear Resident or Property Owner:

Ontario County will be replacing Culvert 35 on County Road 12 during the upcoming 2023 construction season. The existing culvert is located approximately 1,000 feet south of the intersection of Powell Hill Road and County Road 12. The culvert is 84 years old and is severely deteriorated in several locations. The project is scheduled to begin in the spring and be completed by the fall of 2023.

Unfortunately, due to the depth of the culvert below the existing road, the project will require the road to be closed during construction. Road closed signs will be posted at the intersection of Powell Hill Road and County Road 12 and Griesa Hill Road and County Road 12. Residents living on this section of roadway will still have access to their property. We anticipate the road being closed from April thru October of 2023 with traffic being detoured in the following manner:

**DETOUR SOUTHBOUND TRAFFIC:**

- NY64-NY21

**DETOUR NORTHBOUND TRAFFIC:**

- NY21-NY64

We plan to publicly bid the construction contract in the fall of this year.

**A public information meeting is scheduled for Tuesday, September 27, 2022, from 7:00-8:00 pm at the South Bristol Town Hall located at 6500 West Gannett Hill Road, Naples, NY 14512.** During the meeting, County staff will briefly explain the project and address any questions. The meeting will be an open house format with no formal presentation.

Documents illustrating the proposed project will be available on the County's website at the following location: [http://www.co.ontario.ny.us/1757/County-Road-12-Culvert 35 Replacement](http://www.co.ontario.ny.us/1757/County-Road-12-Culvert-35-Replacement), at the bottom of the page.

If you are unable to attend the informational meeting, or would like additional information, please contact us at 396-4000.
